Defense counsel continues to review discovery and conduct investigation in this case. The parties anticipate an initial plea offer from the government prior to the next status conference, and will require additional time to review the offer with the defendants and respond to the government. The parties believe a continuance to January 22, 2024, will permit defense counsel the additional time necessary to conduct pretrial investigation, identify and interview witnesses, obtain pertinent records, and finalize any further pre-plea negotiations.
